

VINTAGE SIDECAR RIDES

Prior to starting your journey, your Driver introduces you with an exclusive itinerary he/she built just for you following your centers of interest and your wishes.

THE ESSENTIAL RIDE:

Full of vivid colors and enchanting scents, take a glimpse at the Medina's local life comfortably seated in our vintage sidecars. You can also choose to take a break from this frenziness while riding in the mythical palm grove with its thousands palm trees and beautiful viewpoints on the jbilets mountains. The old french neighborhood of Gueliz is also of great interest with its art deco buildings and remainings of the 1930's local life.

The Essential Ride

From 178 Euro per sidecar

THE SECRET RIDE:

In the Medina's beautiful maze, through the ancient French neighborhood or in the mythical palm grove, Marrakech is full of surprises. A vivid flea market, secret gardens behind closed doors, old art deco buildings or khettaras in the palm grove are just a few of the many hidden treasures we will introduce you to on this unusual open-air ride.

The Secret Ride

Approx 3:00h

From 255 Euro per sidecar

THE ICONIC RIDE:

In the late 1960's, Marrakech became an iconic spot for Yves Saint-Laurent and his glamorous friends. Follow their path from the multicolored medina that deeply influenced the French designer's work, to spectacular buildings or rooms designed by Bill Willis, his close friend and famous decorator and to villas once hosting notoriously lavish parties in the palm grove.
