

BALLOON RIDE

PROGRAM

On the day of the flight, transfer to the base

The 4x4 or the van awaits you at your place of residence early in the morning. The route to the take-off area of Ciel d'Afrique takes place partly on tracks.

We will serve you good Moroccan tea. Balloon flight is only done at daybreak to be totally safe. While waiting for your balloon to be ready, you will be able to watch the rapid preparations for the Montgolfières planned for take-off that morning.

In the nacelle, a safety briefing will be given, followed by a flight of 40 to 60 minutes, including a first part at high altitude to enjoy the panorama over the whole region (depending on weather conditions), then a second part At low altitude to enjoy the views of the villages, Jbilet Mountains, farms, and wildlife.

Recovery by the 4x4 of pursuits after the landing, reception under the caidal tent for a typical Berber breakfast prepared by the women of the Douar (Village) of Oulad El Garn (except for ROYAL Flight as the breakfast is served in the sky). You are granted with a flight certificate, have access to the shop and then given a drive back to your place to stay.

Total duration of 4h 30min including 40 to 60 minutes of flight.

From 230 Euro per person
